## About KGC?

KGC Logistics provides integrated logistics solutions by blending traditional capabilities of warehousing, transportation and in-plant logistics with its unique strengths in technology, innovation and people.

## Pan-India Footprint

With operations across major industrial corridors, KGC connects key clusters Pan-India, linking plants, warehouses and customers through reliable road networks.

## Fleet & Capabilities

- Wide range of vehicles for loads of **1 MT to 40 MT**
- **Owned & well-maintained vehicles**
- **Fixed-term** and **ad-hoc** shipments
- **Real-time** GPS Monitoring, E-Pod's, **Online Tracking**

## Safety, Quality & People

- Experienced, trained and on-roll drivers
- Strict maintenance schedules and vehicle audits
- Unparalleled Customer Service

## Trusted by **Leading Brands**

Make KGC your transportation partner for dependable, cost-effective & transparent services.
